

Consent form

The Gathering 2020

The Norwegian police requires The Gathering to ensure all participants under the age of 16 has a written consent from a parent or guardian in order to attend the event. Minors under the age of 16 unable to prove consent will be denied entry.

Although we are unable to provide any guarantees during the event, we will do our best to make sure all participants experience a memorable easter.

Please visit <https://www.gathering.org/tg20/page/til-foreldre> for more information (in Norwegian). We also recommend reading the letter from the head of security, titled "Brev fra sikkerhetsansvarlig".

There is no minimum age requirement for participation at The Gathering, but we do not recommend any participant under the age of 16 to attend the event by themselves.

If you have inquiries, you may contact us at info@gathering.org

If your inquiry is more suited to be answered by our participant ombud, please e-mail do@gathering.org

Kind regards,

Morgan
